
ART & CREATIVE EXPERIENCES

Hands-on experiences by Meraki Art Studio

ART & CREATIVE EXPERIENCES

01

PAINTING

A versatile creative experience tailored to the event, brand or campaign. Guests can paint and personalise their own pieces, or a professional artist can create bespoke artwork live. The experience can be adapted across canvases, ceramics, fashion pieces, bags, accessories, packaging and other selected surfaces.

PAST PROJECTS

PAINTING

Bvlgari — Hand-Painted Watch Cases

Bespoke Bvlgari watch cases individually hand-painted with intricate motifs, transforming each case into a distinctive, one-of-a-kind piece.

THG Paris — Sculptural Painting Workshop

An interactive painting experience where guests personalised sculptural candle holders with their own colours, patterns and artistic details.

Department of Culture and Tourism — Emirati Women's Day Fabric Painting

A live painting experience celebrating Emirati Women's Day, with guests creating delicate floral artwork directly onto fabric pieces.

Moser — Tote Bag Screen Printing

A hands-on screen-printing activation where guests customised tote bags with specially designed graphics and motifs, creating personalised, functional pieces to take home.

PAST PROJECTS

PAINTING

Ethan Allen — Canvas Painting Workshop

A thoughtfully curated painting experience where guests created their own canvas artworks inspired by selected floral references.

Boucheron — Live Floral Painting

An artist-led customisation experience featuring delicate floral motifs hand-painted onto selected pieces, creating unique artwork for each guest.

Government Regulatory Authority — UAE National Day Bag Painting

A UAE National Day-inspired painting experience where guests personalised tote bags with Emirati-inspired illustrations, landmarks and heritage motifs.

Hublot — Moon Texture Art

A celestial-inspired texture art experience where guests created dimensional moon artworks using layered media and sculptural techniques, resulting in striking pieces inspired by Hublot's bold design aesthetic.

ART & CREATIVE EXPERIENCES

02

UV RESIN

Guests create personalised resin pieces using colours, dried florals, glitter, charms and other decorative elements. Options include keychains, bookmarks, magnets, charms and small keepsakes.

PAST PROJECTS

UV RESIN

Graff — In-Store Pressed Flower Resin Trays

A bespoke in-store resin experience for Graff's clientele, where guests created elegant trays using real pressed flowers and delicate gold detailing.

Lancôme — Resin Makeup Plates

A customised resin activation created for Lancôme's foundation launch, where guests designed decorative makeup plates using curated colours and embellishments inspired by the new product.

Dior — Pressed Flower Resin Art

A refined resin experience created for a Dior perfume launch event, featuring real pressed botanicals and elegant floral compositions inspired by the fragrance.

Abu Dhabi Surf Competition 2026 — Custom Resin Keychains

A high-volume interactive activation where guests customised their own surfboard-shaped resin keychains in under 10 minutes.

1,000 keychains created for the event.

ART & CREATIVE EXPERIENCES

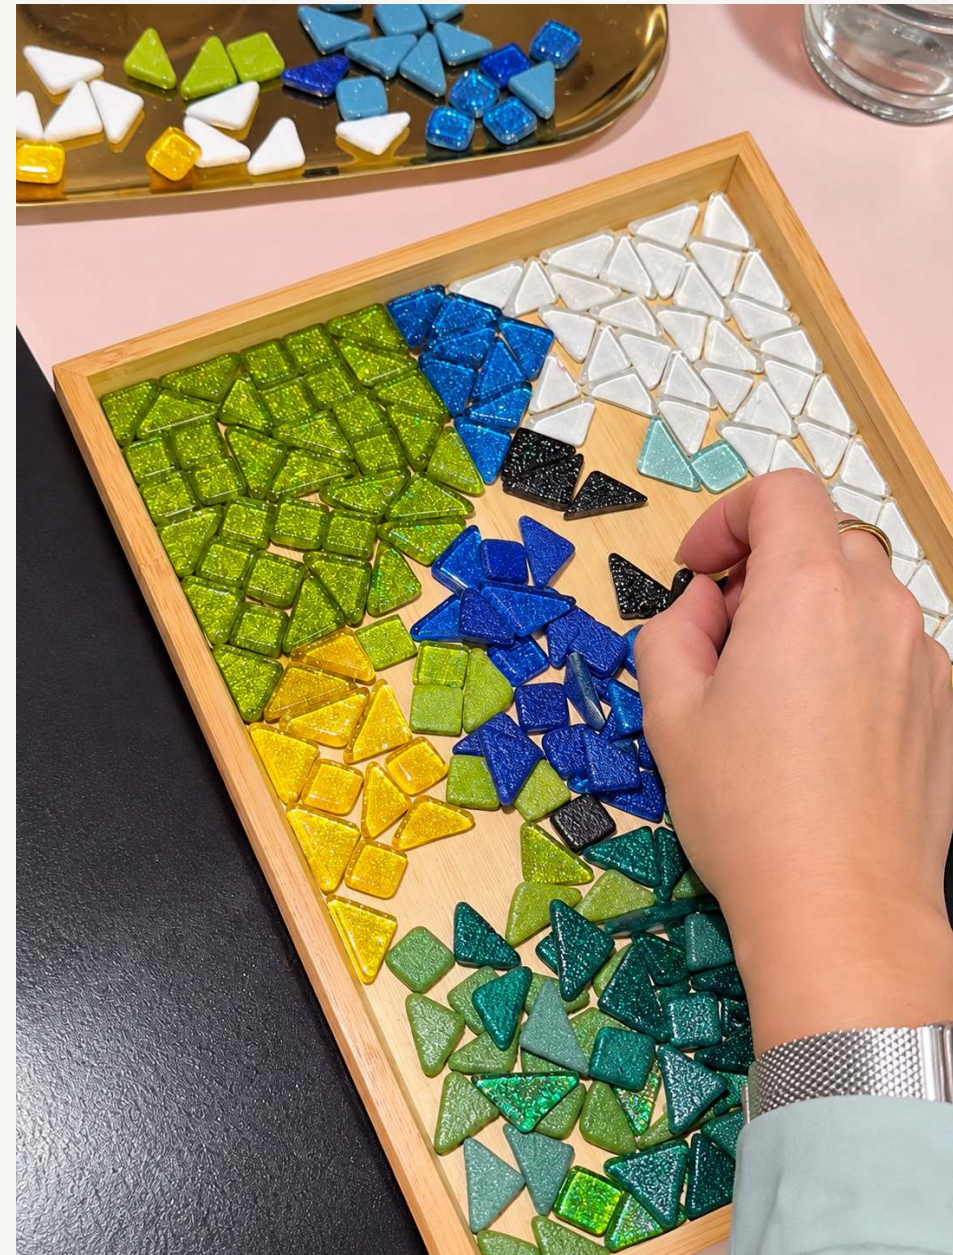

03 MOSAIC

Guests create their own mosaic designs using a curated selection of tiles, colours and patterns. Options include coasters, trays, mirrors, frames and larger decorative artworks.

PAST PROJECT

BMW — Diwali In-Store Mosaic Art

An in-store Diwali activation where guests created their own mosaic pieces using festive colours and patterns, offering a creative and culturally inspired experience within the BMW showroom.

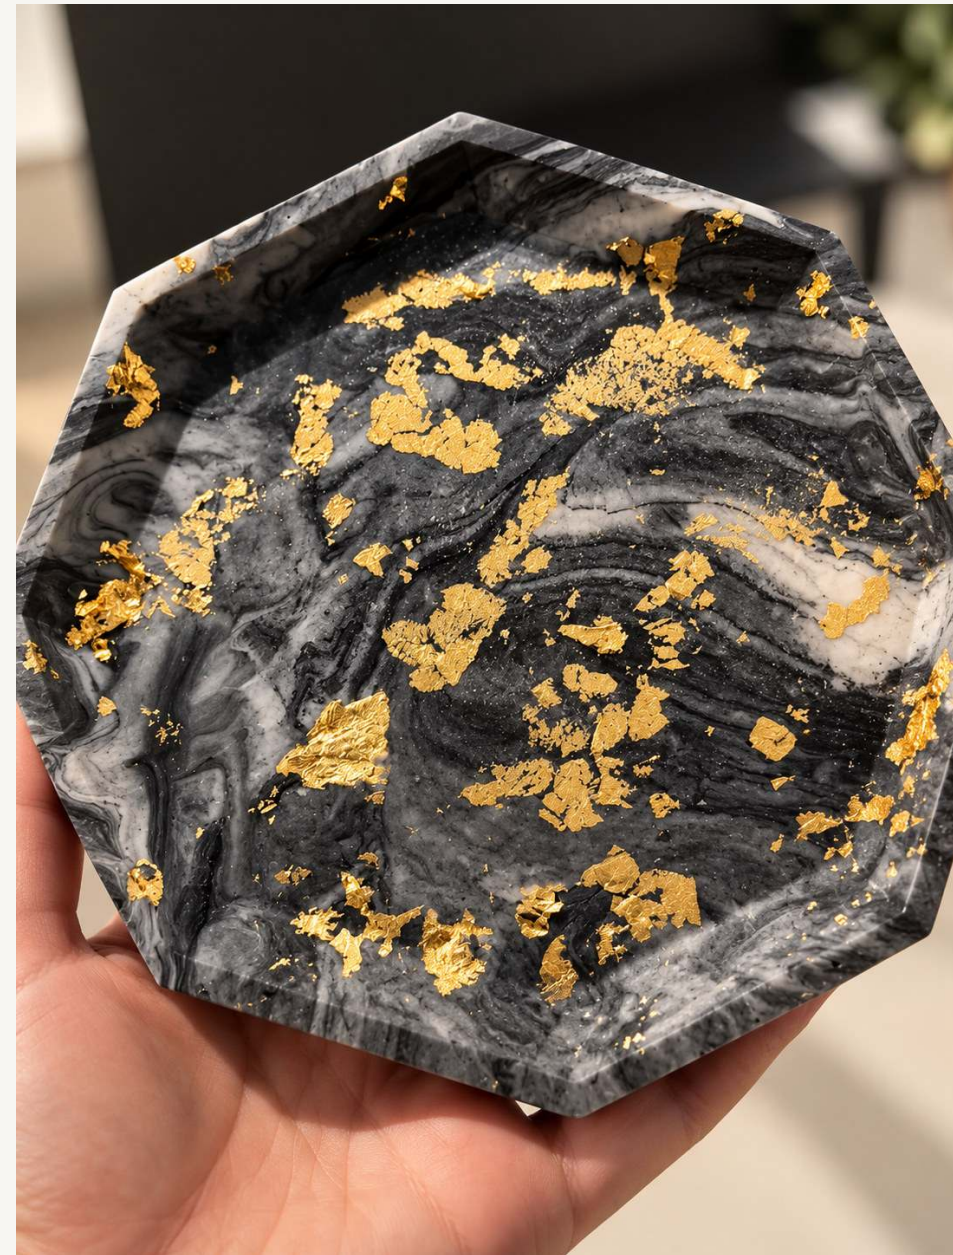

ART & CREATIVE EXPERIENCES

04

JESMONITE

A contemporary craft experience where guests create or decorate modern home accessories. Options can include trays, coasters, trinket dishes and other décor pieces.

PAST PROJECTS

JESMONITE

Rolex — Natural Stone Jesmonite Trays

An in-store client experience where guests created elegant Jesmonite trays finished with natural stones, resulting in refined, one-of-a-kind pieces.

Bvlgari — Octagonal Watch-Inspired Trays

A large-scale activation for approximately 150 guests, featuring bespoke octagon-shaped Jesmonite trays designed to complement Bvlgari's watch aesthetic, with custom boxes.

Audi — Branded Jesmonite Trays, Kuwait

A bespoke activation delivered in Kuwait, where guests created custom Jesmonite trays featuring Audi branding and a clean, contemporary finish.

Harvey Nichols — Colourful Terrazzo Trays

A playful Jesmonite experience featuring vibrant pigments and terrazzo-style detailing, with guests creating colourful decorative trays.

PAST PROJECTS

JESMONITE

Bvlgari — Serpenti-Inspired Jesmonite Trays

A bespoke series of Serpenti-inspired trays created for Bvlgari activations across the GCC, translating the iconic design language into sculptural Jesmonite pieces.

GP — Octagonal Watch Launch Trays

A high-volume live activation for a watch launch event, where over 100 octagon-shaped Jesmonite trays were created within four hours.

Damas — Jesmonite Ring Holders

A jewellery-focused Jesmonite experience featuring elegant ring holders designed as functional keepsakes for guests.

Emirates Palace Wedding Mehendi Event — Jesmonite Tray Making

A vibrant, hands-on mehendi activation where guests created personalised Jesmonite trays with colourful terrazzo patterns, taking home unique keepsakes from the celebration.

ART & CREATIVE EXPERIENCES

05

PRESSED FLOWERS

A delicate botanical customisation experience using real pressed flowers and natural elements to create elegant, personalised keepsakes. The concept can be adapted across frames, resin pieces, candles, trays, coasters and other decorative items, with florals and colours curated to suit the brand or event.

PAST PROJECTS

PRESSED FLOWERS

The White Company — Pressed Flower Frames

A refined pressed flower frame activation created for influencers, featuring elegant botanical compositions designed to reflect The White Company's soft, minimal aesthetic.

Private Birthday — Personalised Pressed Flower Frames

A bespoke birthday experience where guests created pressed flower frames personalised with their initials, resulting in meaningful keepsakes to take home.

Dior — Pressed Flower Resin Coasters

A floral resin activation featuring real pressed flowers set into elegant coasters, creating delicate keepsakes inspired by Dior's botanical aesthetic.

Graff — Pressed Flower Resin Trays

A luxury resin experience where guests created elegant trays using real pressed flowers and refined decorative detailing.

PAST PROJECTS

PRESSED FLOWERS

Anthropologie — Pressed Flower Candle Décor

A botanical candle customisation experience featuring real pressed flowers arranged as decorative details, creating unique floral-inspired pieces for guests.

ART & CREATIVE EXPERIENCES

06 TERRARIUM & PLANTING

A calming, nature-inspired experience where guests create their own miniature terrariums using plants, moss, stones, soil and decorative elements. The activation can be tailored with different vessels, colour palettes and styling to suit the brand, venue or event theme.

PAST PROJECTS

TERRARIUM & PLANTING

Edit — In-Store Terrarium Workshop

An in-store creative experience at the mall where guests designed and assembled their own miniature terrariums using curated plants, stones and decorative elements.

Museum of the Future — Terrarium Experience

A nature-led interactive workshop where guests created personalised terrariums, combining greenery, natural textures and decorative details into individual take-home pieces.

ART & CREATIVE EXPERIENCES

07

LIVE ORIGAMI ART

An elegant live art activation where skilled origami artists transform paper into intricate flowers, sculptures and personalised keepsakes.

PAST PROJECT

Marli New York — Live Origami Flowers

A luxury in-store activation featuring handcrafted origami flowers, creating delicate, personalised keepsakes for guests.
