
FRAGRANCE & SCENT EXPERIENCES

Hands-on experiences by Meraki Art Studio

FRAGRANCE & SCENT EXPERIENCES

01

PERFUME & FRAGRANCE BAR

Guests explore a curated selection of fragrance notes and create a scent that is uniquely their own. The experience can be offered as personalised perfumes, reed diffusers, car diffusers, room fragrances and other scented products, with custom packaging and branding options available.

PAST PROJECTS

PERFUME & FRAGRANCE BAR

Performansion — Car Diffuser Bar

Guests selected their preferred scent and created personalised car diffusers to take home.

Ahmed Seddiqi — Perfume Bar

A large-scale perfume blending experience for guests.

200 guests across two days.

FOPE — Perfume Bar & Live Engraving

A bespoke perfume experience with fragrance blending and live engraving for guests.

TDRA — UAE National Day Perfume Bar

A festive perfume-making experience for employees, created for UAE National Day.

FRAGRANCE & SCENT EXPERIENCES

02

BAKHOOR BAR

A fragrance experience inspired by the traditions of the region. Guests can create or customise their own bakhoor blend by selecting scents and ingredients, followed by personalised packaging.

PAST PROJECT

Graff — Bakhoor Bar

A bespoke bakhoor-making experience created for Graff, where guests selected and blended their preferred scents to create a personalised fragrance piece.

FRAGRANCE & SCENT EXPERIENCES

03

CANDLE BAR

Guests create their own scented candle by selecting their preferred fragrance and personalising the final piece. The experience can include candle pouring, fragrance blending and decorative finishing.

PAST PROJECTS

CANDLE BAR

Kate Spade — Diwali Candle Bar

A festive candle-making experience inspired by Diwali, with colourful decorative elements and personalised candles for guests.

Parker's — Breakfast Launch

A bespoke candle design station created to celebrate the launch of Parker's new breakfast menu.

Somewhere — Saudi National Day

A Saudi National Day-themed candle decoration experience featuring colours and elements inspired by the occasion.

Address Hotels — Candle Bar

An interactive candle-making activation where guests created and decorated their own personalised candles.

PAST PROJECTS

CANDLE BAR

Tash by T — Influencer Event

A curated candle-making experience created for an intimate influencer event, with personalised decorative details for each guest.

Anthropologie — Fashion Show

A floral-inspired candle-making experience created for the fashion show, where guests personalised their candles with botanical and decorative elements.

Harvey Nichols — Ramadan Candle Bar

A Ramadan-inspired candle experience where guests personalised candles with florals and decorative elements, creating a thoughtful festive keepsake.
