KIDS & PLAYFUL EXPERIENCES

01

SLIME BAR

A hands-on slime-making experience where guests create and customise their own slime. Colours, textures, scents, glitter, charms and other add-ons can be selected to make each creation unique.

KIDS & PLAYFUL EXPERIENCES

02 SQUISHY BAR

A playful activity where guests decorate and personalise their own squishy toys using paints, colours and creative details. Ideal for children's events, family days and youth-focused activations.

04

FLUID ART BAR

A dynamic, hands-on art experience where guests create one-of-a-kind pieces using fluid pouring techniques and vibrant colour combinations. The activation can be adapted across sculptural bears, canvases, figurines and other selected surfaces, with colours and forms customised to suit the brand or event concept.

PAST PROJECT

Hive Board Game Café — Monopoly-Inspired Fluid Art

A playful fluid art activation created around a Monopoly-inspired concept, where guests customised dollar-sign sculptures using bold colour combinations and fluid pouring techniques, creating unique statement pieces to take home.
